TABLE OF CONTENTS

ABOUT US

Welcome to **Star Rail**, your trusted partner for premium aluminum railing solutions. With **18** years of expertise in the industry, we specialize in designing, manufacturing, and installing high-quality aluminum railings for residential, commercial, and industrial projects.

At **Star Rail**, we believe that railings should be more than just a safety feature—they should be a statement of style, durability, and quality. Our railings are crafted using the finest aluminum materials, ensuring a perfect balance of strength, low maintenance, and aesthetic appeal. Whether it's for balconies, staircases, decks, or custom applications, we provide solutions tailored to your unique needs.

Our team is dedicated to excellence in every aspect of our work, from initial consultation and design to the final installation. We combine innovative designs with advanced manufacturing techniques to deliver products that not only meet but exceed industry standards. With a focus on sustainability and long-lasting performance, our railings are powder-coated for enhanced resistance to weather and corrosion.

Choose **Star Rail** for your next project and experience the difference in quality, service, and craftsmanship.

Architecture Railing **F Bracket** System

Material Compatibility: Made of high-strength aluminum alloy, often the same grade as the profiles they are used with.

Easy Assembly: Most fittings are designed for quick and easy assembly using standard bolts, screws, or nuts.

Corrosion Resistance: Aluminum's natural corrosion resistance makes these fittings suitable for indoor and outdoor use.

Customizability: Some fittings can be custom-made to suit specific profile sizes or design requirements.
